By virtue of a court order, we have obtained a list of those companies which have illegally deposited waste materials on the above referenced premises in violation of Chapter 17, Artical 6.2 of the Municipal Code of Chicago. The records indicated that your company has approximately 160 drums of liquid waste which are presently stored on the premises.

You are hereby directed to remove the deposited material within 30 days after receipt of this letter. We will require prior notification of the scheduled removal together with planned destination and the name of the hauler. To make the necessary arrangements, you should contact the present occupant of the site, K. Haas, American Incineration Company at 312-346-5570.

An inspection of the drum inventory indicates that some of the drums may be in a deteriorated condition requiring the use of overpacks. Failure to comply with this directive will result in a citation issued to your company for violation of the Municipal Code.

If further information is required you may contact Mr. Don Gallay, Director of Engineering and Enforcement, of this department at 312-744-3210.

Sincerely,

Karen Pettite
